PROJECTS

Project Name — Virtual Banking Made Easy

It is a static website using bootstrap. I created and published it on Github Page

link: <https://boreyinbox1.github.io/bootstrap-4-by-tech2-etc/>

SKILLS

I am good at doing internet research. I used to set up the window, install the software, build small websites and do many things related to computers and the internet.

LANGUAGES

My English level is medium. I did quick test at :
<https://learnenglish.britishcouncil.org/online-english-level-test>

And got: Your Level
intermediate with 59%
